

Share Dice

What you need?

A pair of scissors, glue or sticky tape.

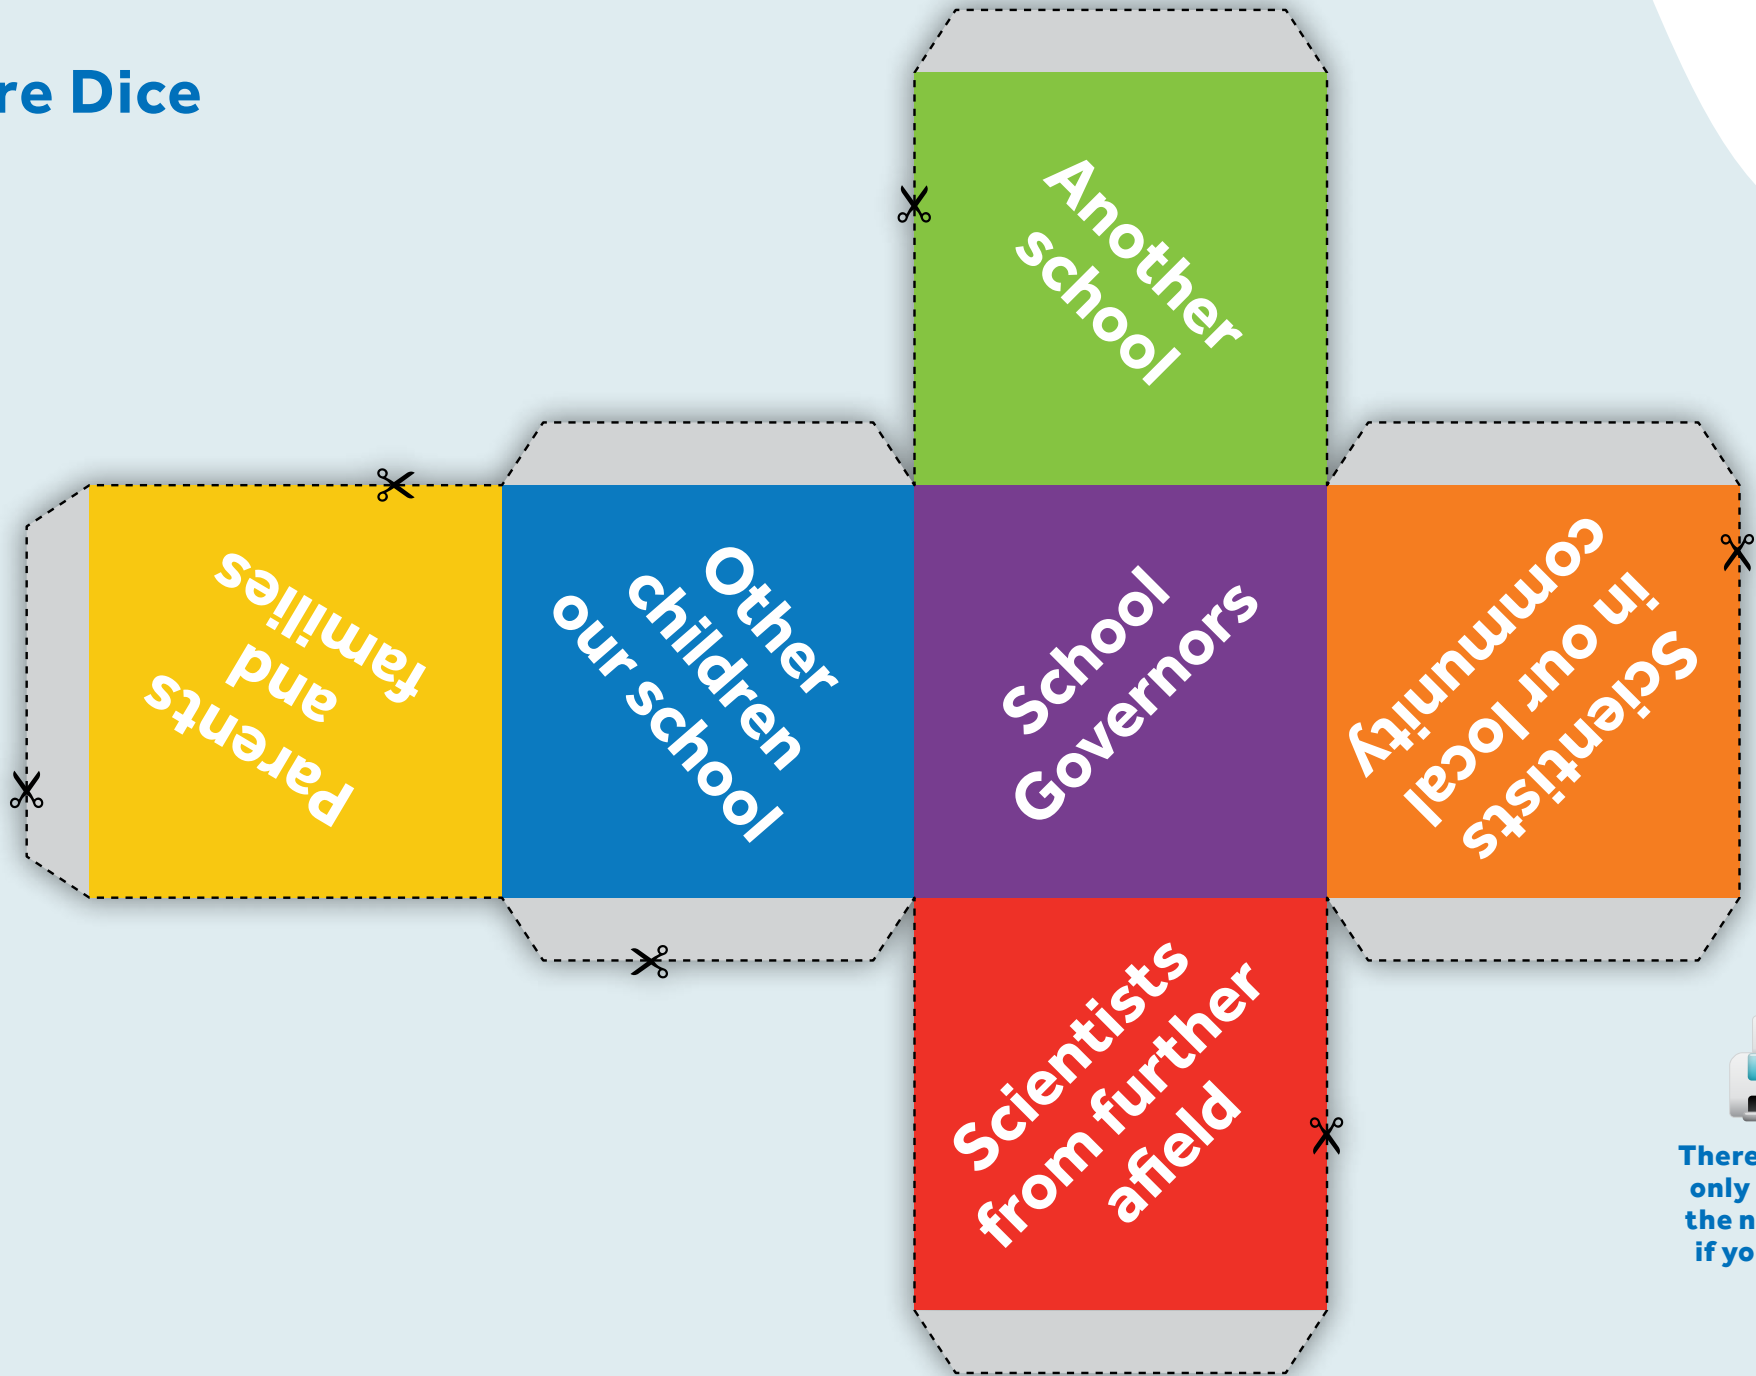

How does it work?

- 1 Print and cut out of the net of a cube.
- 2 Fold along the lines and use glue or sticky tape to create your dice.
- 3 Roll the dice to help you to choose an audience to share with.

Print out this page and cut out the net of the dice, there is a printer-friendly version on the next page.
